Laura

You don't need to go to the IRF for your PMAP if

that is why you are going there. We can do it in

from Connie.

(NIH/NIAD),JEI

IT LOOKS LIKE 3 IS  
best. I am due to land

able to get on the  
phone by 3. It should  
not take long

NOT LONG LONG.

Thanks to everyone  
for their patience

Date: January 26, 2020

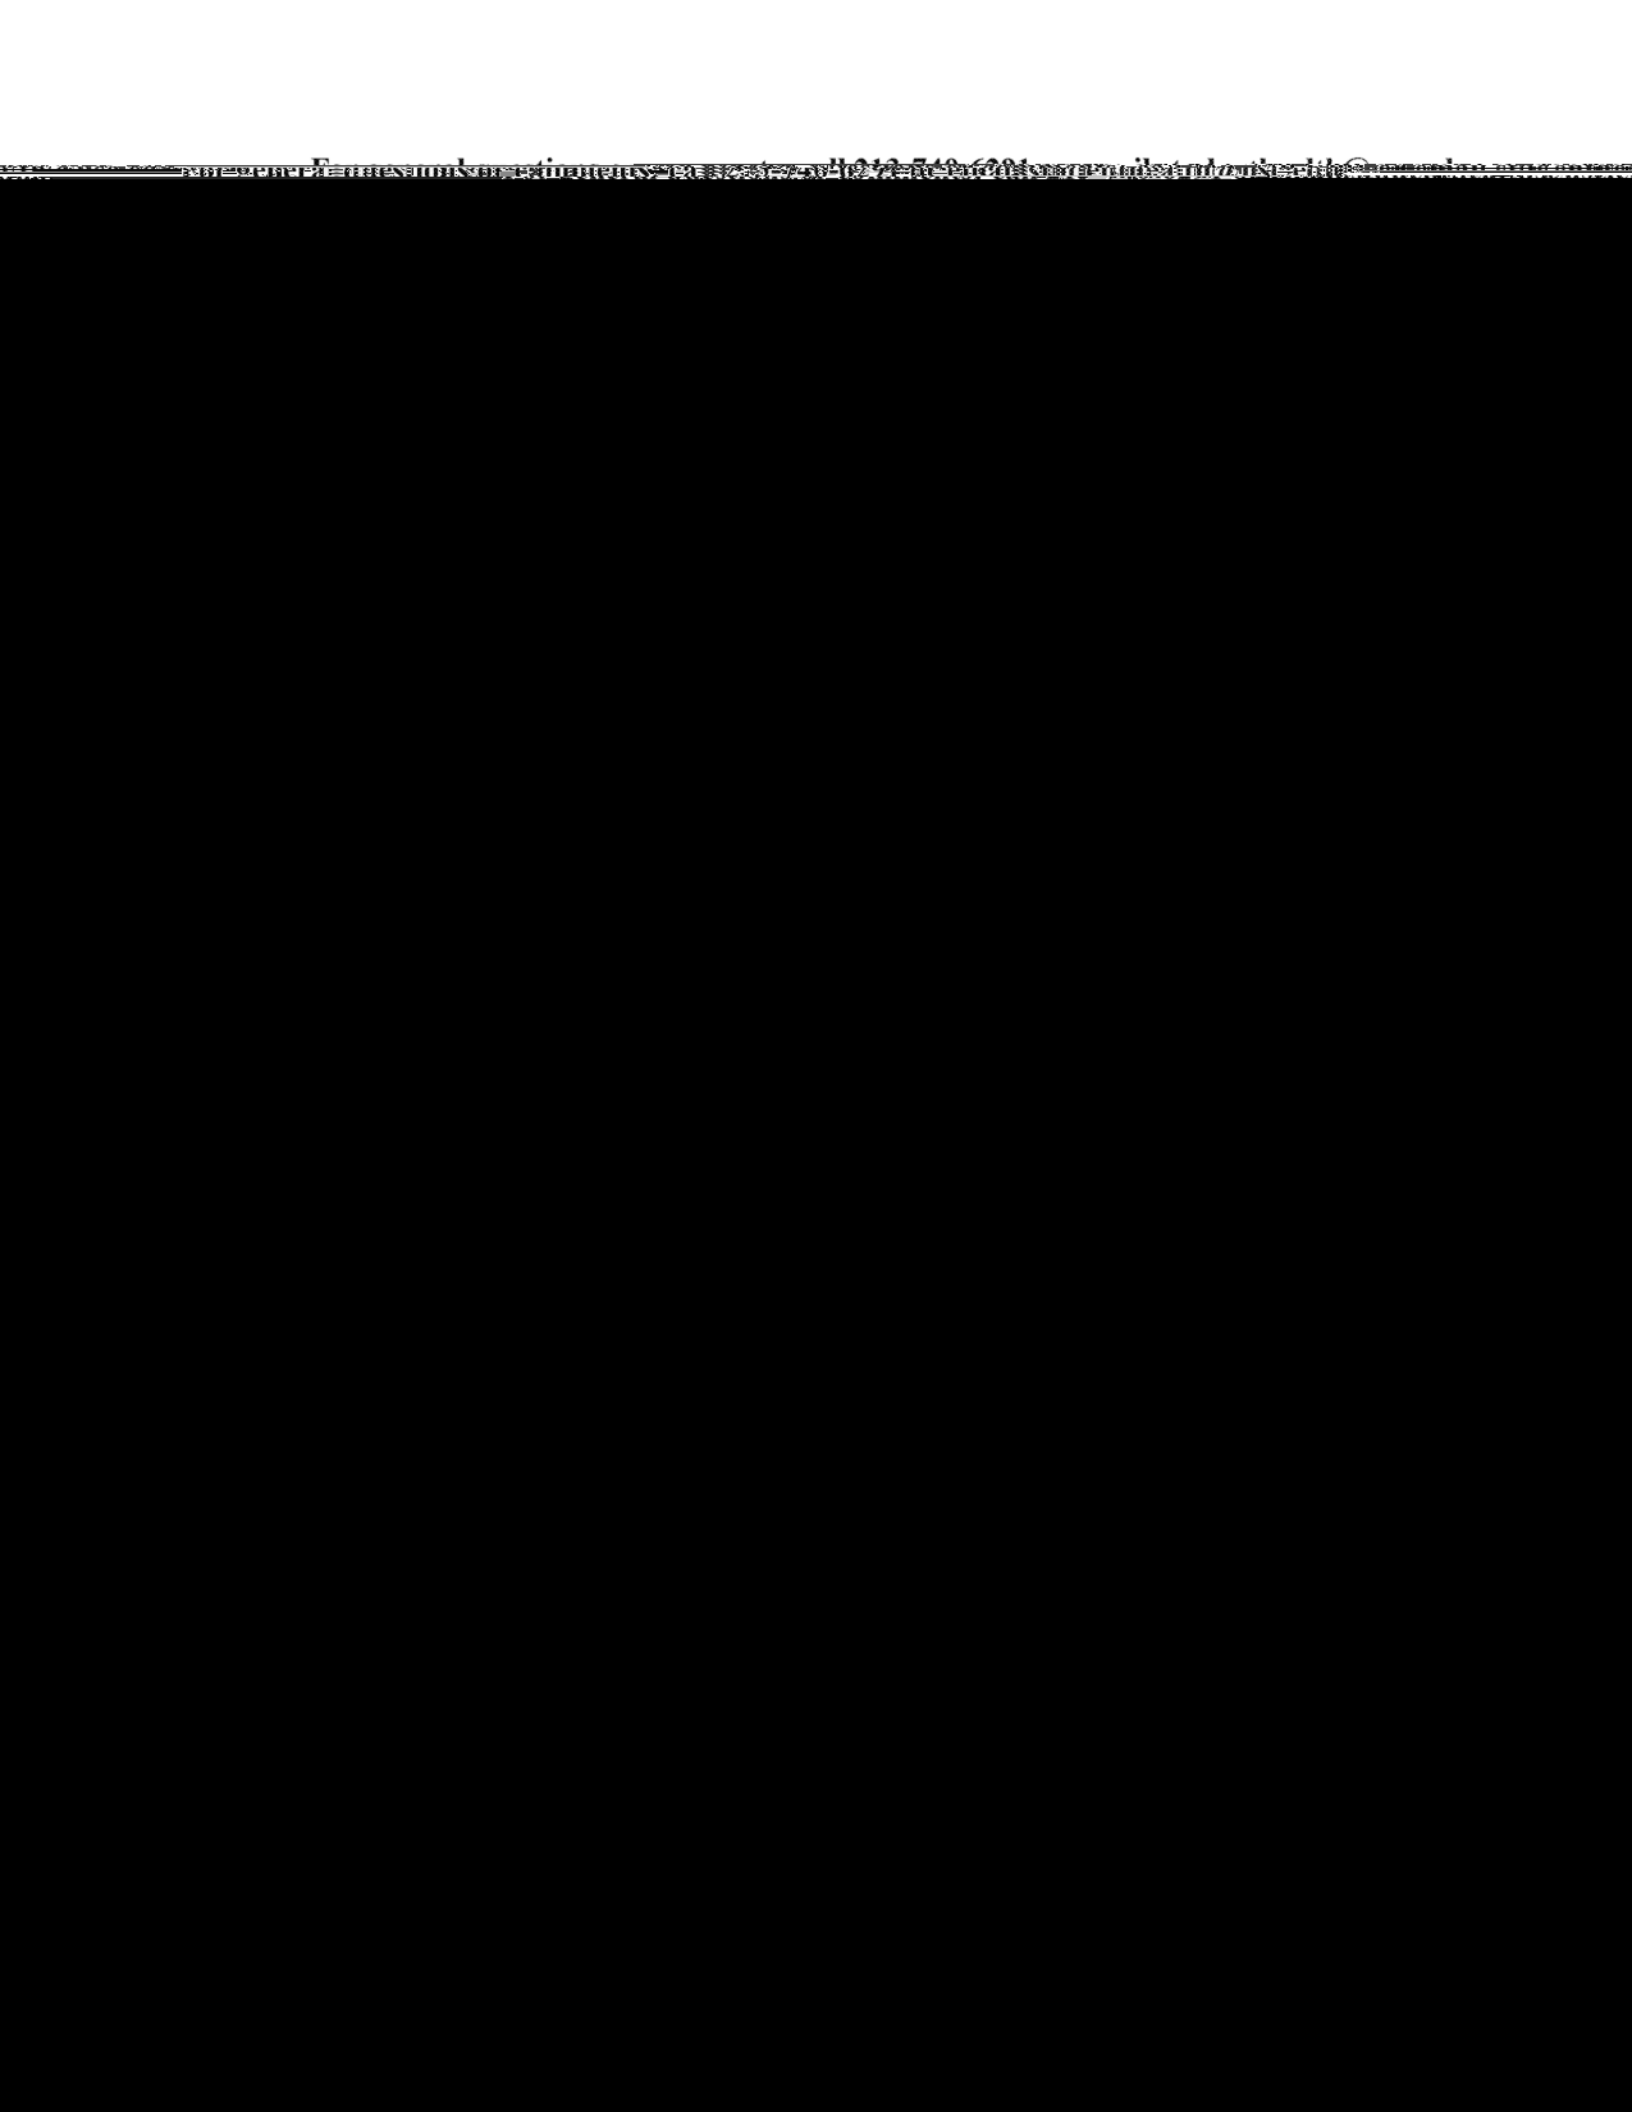

Subject: California Department of Public Health (CDPH) - Orange County, California, 2019 Novel Coronavirus (2019-nCoV)

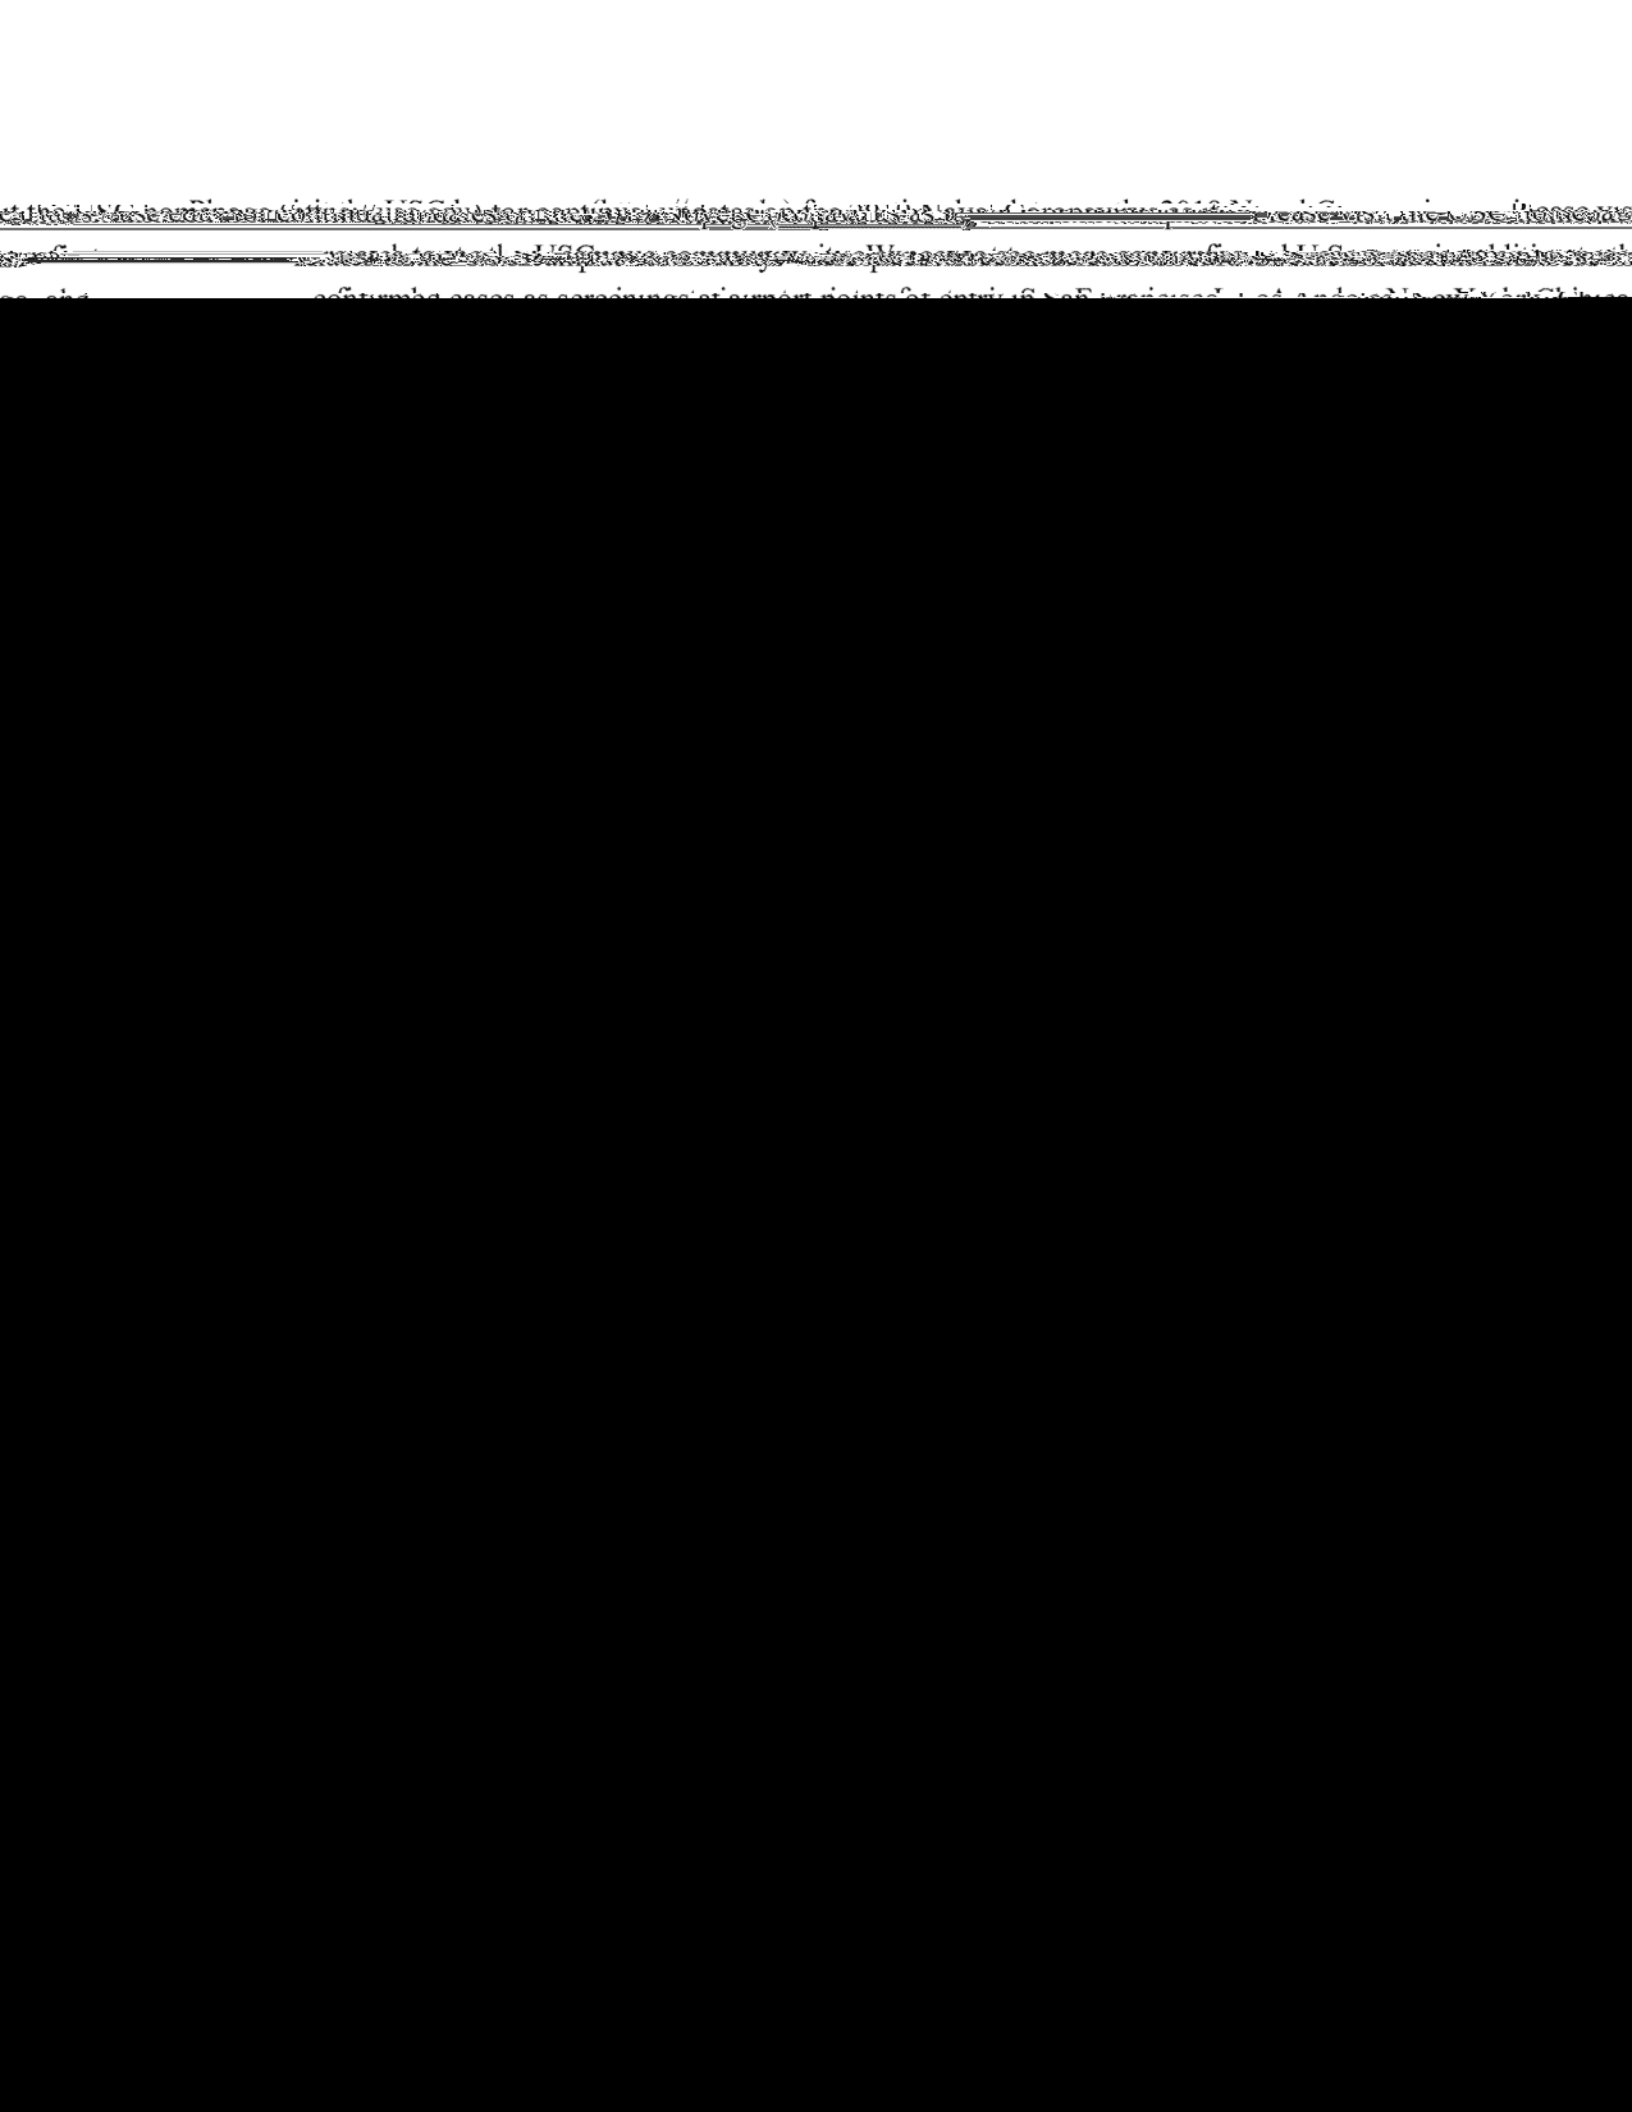

[REDACTED]

[REDACTED]

We are updating the community in light of information that individuals in Los Angeles and Orange County in California are interested positive with the 2019 Novel Coronavirus (2019-nCoV). We are in contact with the California Department of Public Health (CDPH) and local public health officials. There is no known connection between the affected individuals and USC.

[REDACTED]

• Fever

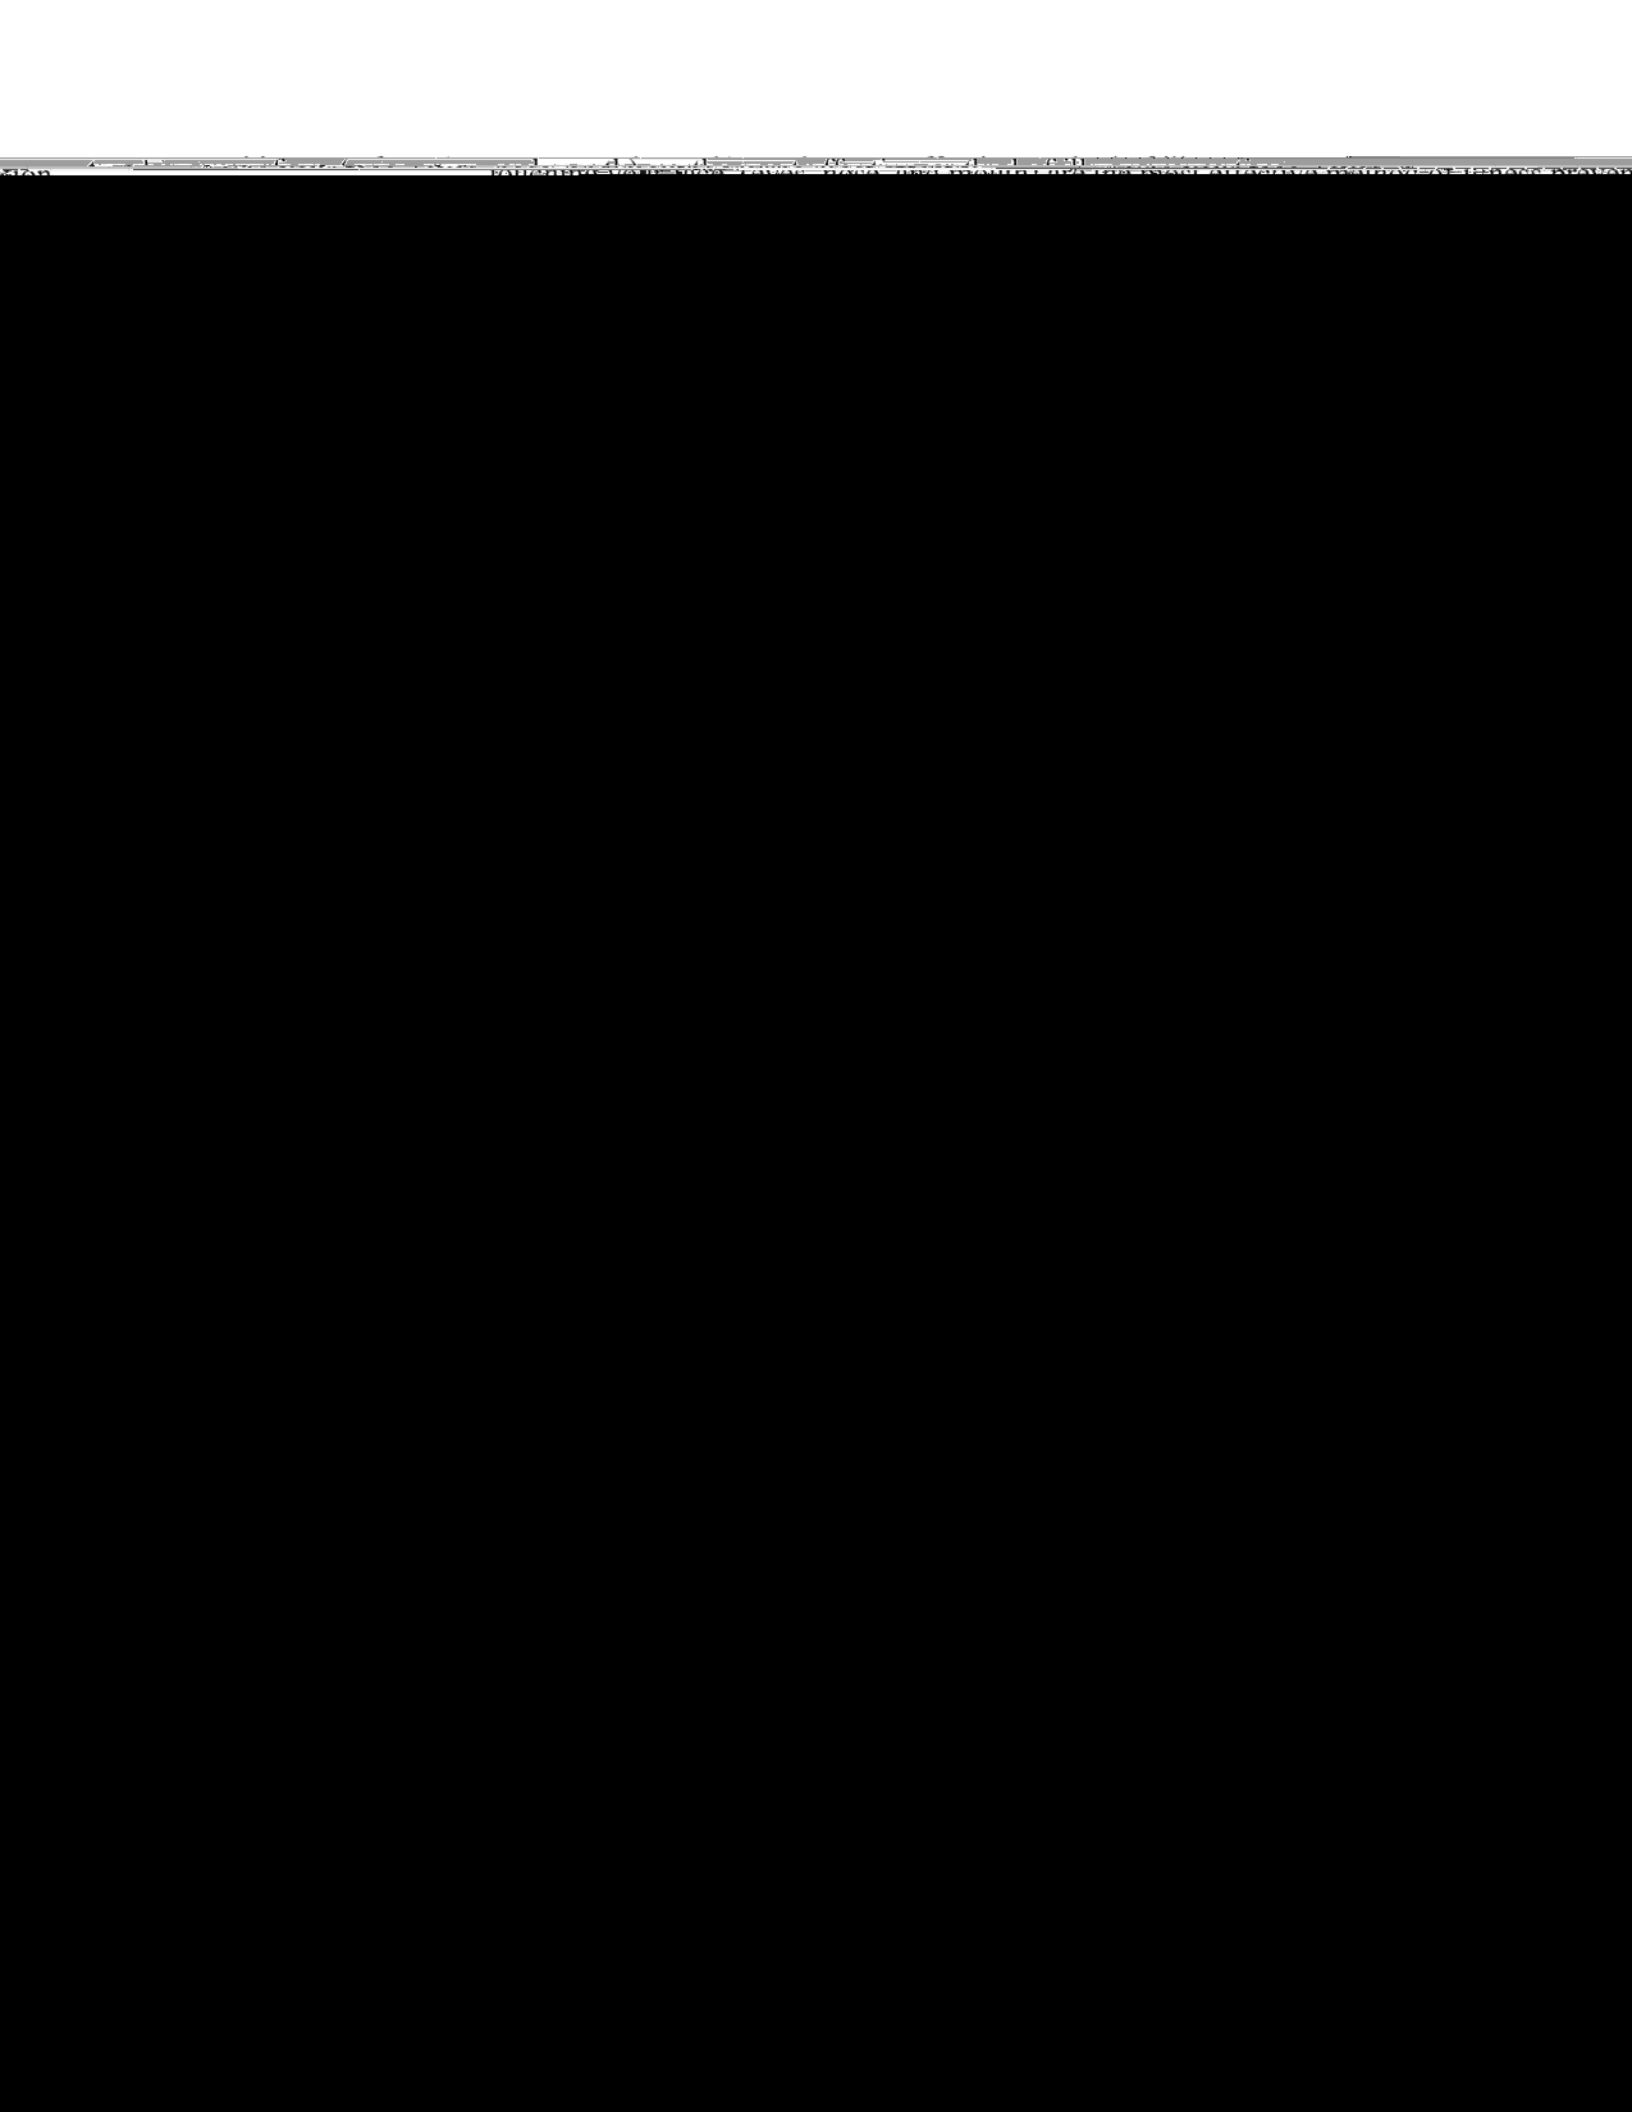

• Fatigue

• Cough

• Shortness of breath

Many cases appear to be mild. Individuals who are elderly, have weakened immune systems, or have other underlying health conditions appear to be at risk for more severe disease.
